

WESTERN POWER DISTRIBUTION ("WPD")

APPLICATION FOR CONNECTION – MULTIPLE SSEG

This form should be completed by the Installer where an application for the connection of:

Multiple SSEG units in parallel with WPD's distribution system is required – in accordance with Stage 2 of Engineering Recommendation G83/1. (It is only necessary to submit one Application Pro-forma per multiple installation project).

This information is to be provided to WPD prior to the installation of any SSEG unit(s) in order that WPD can assess the potential impact that the connection will have on the distribution system.

Project Details	
Site / Project Address (incl. post code)	
Telephone Number	
Customer Supply Number(s) (MPAN) Use separate sheet if necessary	
WPD Enquiry Reference Number (if already allocated)	
Installer Details	
Installer	
Accreditation/Qualification	
Address (incl. post code)	
Contact Person
